RE: Cedar Chemical Corporation Superfund Site, West Helena, Philips County, Arkansas

Dear Sir/Madam:

This letter is to inform you of a meeting that the U.S. EPA Region VI will be having with all the PRPs for the above captioned Site who have indicated that they are willing to enter into "Good-Faith Negotiations" for a settlement agreement with EPA to perform a Remedial Investigation/Feasibility Study (RI/FS).

Our first meeting will take place at the offices of the U.S. EPA Region VI on September 18, 2014, at 10:00 am. Upon your arrival, please come to the Reception Desk on the 7<sup>th</sup> Floor to obtain a Visitor's Badge. Please inform the Security Personnel who check you in that you are here for the 10:00 am meeting on the Cedar Chemical Superfund Site or inform the Security Personnel that you are here for a meeting with EPA Attorney Marvin Benton or Mr. Lance Nixon (the Site Enforcement Officer).

At this first meeting, the Remedial Project Officer (RPM), Phillip Allen, will provide an overview and describe the work that needs to be performed at the Site. The EPA anticipates this first meeting will take about 2-3 hours. After discussing any general questions regarding the RI/FS process, we hope to begin to discuss the actual negotiation of the proposed Administrative Order on Consent that was sent to you.

If you have any questions regarding this meeting please feel free to contact EPA Attorney Marvin Benton at 214-665-3190 or email Mr. Benton at [Benton.Marvin@epa.gov](mailto:Benton.Marvin@epa.gov).

Thank-you in advance for your cooperation,

Sincerely yours,  
  
for Marvin Benton  
Senior Attorney
